Instructor's Notes

Earthquake and Tsunami

Crossword Puzzle

Crossword Puzzle: A word game in which players use provided clues to fill in a grid of interconnected squares with terms, either horizontally or vertically. Vocabulary, knowledge, and deductive reasoning skills are utilized as players strive to complete the puzzle.

Lesson Plan:

- The instructor will hand out copies of the provided *Living on Shaky Ground* magazines and the Earthquake and Tsunami Crossword Puzzles.
- The students will work in small groups or individually to complete the crossword puzzle, using their copies of *Living on Shaky Ground* as a reference to identify the terms described in each clue.
- The class will come together to discuss the crossword puzzle, during which the instructor can provide any needed clarity and assistance.

*The instructor is provided with an answer key.
